

WESTFIELD WEEKLY NEWS

Spring Term: Issue 8

Date: 18th March 2024

What's happening this week?

Tonight's bingo has been fully resourced by previous donations, or vouchers purchased from previous proceeds. As this has been such a short term, with many requests for charitable donations, the PTFA did not wish to make further requests of parents. The proceeds are also being divided between the school, and another beneficiary, hence the altered format. It promises to be a wonderful event, with many vouchers from local businesses contributing to the prize pot.

We look forward to seeing many of you later this evening.

Parent and carer drop in session on Thursday 21st March at 5.30pm. All welcome to come along to meet up and chat with other parents and carers. Signing support for basic BSL is available, as well as refreshments.

Those of you who bring children to school, or access the car park, may have seen an unfamiliar vehicle parked there this week. We are very excited to have taken delivery of our new 9 seater MPV, which was purchased using a

combination of the funds raised by Frank H. Dale Ltd, proceeds from the fete in September, and an additional contribution from our capital budget. This new acquisition will enable additional off-site activities for students, without having to rely so heavily on our minibuses.

We are very touched to have received a donation of £114.47 in memory of Dorothy Oughton, who expressed a wish for monies raised from her service to go towards our school. Thanks go to her family and friends.

School value for the term has been Empathy: with specific focus on patience and co-operation. Little did we know how much of both these values we would require from our community over the past ten weeks!! Thank you again for your understanding and flexibility in supporting us to keep safely open, or not, as the case may have been.
