

# CHILDREN IN NEED

Red Kite Class we wore what we wanted to help raise money for Children in Need. Lots of us brought spare change in to donate to the charity, and filled our Pudsey Bear up with coins.

We watched some of the live programme and listened to some of the stories of how money has helped other people. We hope our money will help others too!

We had lots of fun counting our donations, and decorating or colouring different Pudsey Bear templates. We also sang songs about being kind and looking after others. A great day!

We

raised money

for

Children in Need.
