Dear Parents and carers,

On Tuesday 16th December, Woodpecker class will have an additional cooking session in order to use all their skills learnt in the kitchen to prepare and cook Christmas dinner. Once cooked, students and staff will have Christmas lunch together in the classroom, therefore, students will not require a packed / cooked dinner that day. If you feel your child would prefer their own food please send in as usual, but please let us know in advance (via Multi Me) to avoid overestimating quantities. Please ensure that any pre-ordered school meals are cancelled with AiP, to avoid being charged for these.

Best wishes,

Emma Norman,

Woodpecker Class Teacher
