

Our topic this term is 'Who are your Heroes?' and Woodpecker class have been talking about people who inspire us. From these discussions students wrote letters to the person they identified and why. We have a variety of letters to family members, school staff, influencers, singers, actors and sportspeople.

The student's letters were so wonderful to read we wanted to share them. We hope you enjoy reading them as much as we enjoyed writing them.

Dear *George Ezra*,

You are one of my favourite singers. I really like the songs "Gold Rush Kid", "Shotgun" and "Hold my girl". I really like the lyrics to your tunes.

I am hoping that you could visit our school and play us some songs.

Looking forward to hearing from you,

Yours Jason

I'm writing to ask if you would come to my school, I am a massive fan. I love your songs and I can't wait for your new album. I would love to also go to one of your tours one day. It has been my dream for ages. I have always liked your music even since One Direction, I love the song 'Story of my life' and many more.

I love your music because it so good, I probably listen to you every day.

Even if you can't come, I would love a reply and an autograph.
